

AB&W Credit Union

Volunteer Positions Are Now

Available on the Supervisory Committee

Committee members who volunteer on the credit union's committees are unique in the financial world. Each Volunteer throughout our history has influenced how your credit union operates today. One thing they all have in common is a strong sense of doing what is right and helping others.

Your credit union was established on February 14, 1952 and since then wonderful volunteers have come and gone.

Primary Function: To ensure ongoing reviews and audits to make sure that credit union records are maintained properly, honestly, and accurately; that policies established by law and by the board of directors are carried out faithfully; and that members' assets are safeguarded and used according to the purposes of the credit union.

Your credit union is always trying to help the members out, so holding a position on the Supervisory Committee would be a way to help your credit union and your fellow members.

If you are interested in serving, please contact:
